

## Save the Date: Career Day 2019

**Do you think about your next steps towards your career path?**

- Talks by representatives of a wide range of research areas
- Get in touch with scientists with similar scientific backgrounds to inform about potential job opportunities in (inter-) national academic career, industry or research related areas like scientific management and public sections
- Especially for advanced PhD students or young postdocs:  
*Attend a Career Coach Workshop*
- Opportunities to discuss about how to combine family and profession needs

*Women* IN  
SCIENCE

*When?*

September 16, 2019

*Where?*

BMZ, Venusberg, University Hospital Bonn

**We will provide you with a preliminary program soon to keep you informed**
